It was humiliating, again, to be outwitted by the very stupidity of these people; and.He was so distraught that when he made up his mind to call Silence he could not think of the opening of the spell, which he had known for sixty years; then when he thought he had it, he began to speak a Summoning instead, and the spell had begun to work before he realised what he was doing and stopped and undid it word by word."We are four against him," said the Patterner..there was any on the island." He examined it attentively, and put some seedpods into his pouch.."And who is Irian?".at all. These were words he wanted but had not expected to hear. He took the young man's arm..All the rumors of Roke had said that it was spell-defended and charm-hidden, invisible to ordinary."But you are -- I do actually --".She reached out and touched his hand. He drew his breath sharply..spared him he would tell them all about the Hand, and Roke, and the great mages of Roke.."Never fear," Diamond said, turned on his heel, and strode out. A string of dried sage caught on his head and trailed after him.."There are no such people," she said. It seemed to me that I had not heard her right..He was in fact a town boy, born in Gont Port. He had said nothing about himself, but Dulse had."The women," she whispered, "the hand. Ask them. In the village. I did see the Mountain."..She stopped looking about and strode along in thought for a while. She was beautiful in movement, imagined and found startling, unwelcome, even painful, altering all her beliefs..Golden was born to deal with commerce and wealth, each in his place; and each, noble or common, if.Archipelago. People who have a secret name that holds their power the way a diamond holds light.When he was on Orrimy, Medra had learned to read the common writing of the Archipelago. Later, Highdrake of Pendor had taught him some of the runes of power. That was known lore. What Ember had learned alone in the Immanent Grove was not known to any but those with whom she shared her knowledge. She lived all summer under the eaves of the Grove, having no more than a box to keep the mice and wood rats from her small store of food, a shelter of branches, and a cook fire near a stream that came out of the woods to join the little river running down to the bay, Medra camped nearby. He did not know what Ember wanted of him; he hoped she meant to teach him, to begin to answer his questions about the Grove. But she said nothing, and he was shy and cautious, fearing to intrude on her solitude, which daunted him as did the strangeness of the Grove itself. The second day he was there, she told him to come with her and led him very far into the wood. They walked for hours in silence. In the summer midday the woods were silent. No bird sang. The leaves did not stir. The aisles of the trees were endlessly different and all the same. He did not know when they turned back, but he knew they had walked farther than the shores of Roke..the Making words he did not know until he spoke them. They said."Get the sail down," Medra said, peremptory. The master yawned and cursed and began to shout commands. The crewmen got up slowly and slowly began to rake the awkward sail in, and the oarmaster, after asking several questions of the master and Medra, began to roar at the slaves and stride among them rousing them right and left with his knotted rope. The sail was half down, the sweeps half manned, Medra's staying spell half spoken, when the witchwind struck..knows it has real power, power of life and death, over the person. These were brave, wise men, seeking to save what they loved, but they did not know how to do it. And she had no share in their wisdom, no part in their decisions. She drew away from them, and they did not notice. She walked on, going towards the Thwilburn where it ran out of the wood over a little fall of boulders. The water was bright in the morning sunlight and made a happy noise. She wanted to cry but she had never been good at crying. She stood and watched the water, and her shame turned slowly into anger.."I doubt the Doorkeeper would defy it lightly," said one of them Irian had not noticed till he spoke, though he was a big man, white-haired, aw-boned, and crag-faced. Unlike the others, he looked at her as he spoke. "I am Kurremkarmerruk," he said to her. "As the Master Namer here, I make free with names, my own included. Who named you, Irian?".gone still. He stopped now and then and sniffed. He sat down on the hillside beside the scar in the ground, resting his tired legs. He studied the ground where some crumbs of fresh dirt lay and the grass was bent. He stroked the bent grass to straighten it. He got to his feet at last, went for a drink of the clear brown water under the willows, and set off down the valley towards the mine.."You felt nothing?". She agreed with the others to give him a little house down by the harbor and a job helping the boat-builder of Thwil, who had taught herself her trade and welcomed his skill. Veil put no difficulties in his path and always greeted him kindly. But she had said, "What can you tell me that would make me trust you?" and he had no answer for her. Berry's place, and as she told her friend Tawny, laughing, he was cannier with the cows than unless there was a sorcerer aboard who knew how to turn that wind. Still they came, and as the and several have asked me or the Doorkeeper if they may go. And we'd let them go. But there's no. "Now, what is forbidden to the summoner, or any wizard, is to call a living spirit. We can call to which looked constantly as if on the verge of flight, was in fact the city, and that the one I had left. When it came to teaching what he knew, he was tireless, generous, and exacting. For the first time, Medra was given a vision of magic not as a set of strange gifts and reasonless acts, but as an art and a craft, which could be known truly with long study and used rightly after long practice, though even then it would never lose its strangeness. Highdrake's mastery of spells and sorcery was not much greater than his pupil's, but he had clear in his mind the idea of something very much greater, the wholeness of knowledge. And that made him a mage. almost no questions.
